Welcome to

The Summer Village of Sandy Beach

The municipality currently has over 278 permanent residents but grows to over 500 in the summer months. We are one of the few Summer Villages in Alberta that are fortunate to have commercial properties. We have a General Store with a liquor outlet, propane services and a Family Campground. We also have Local pump trucks, our own Lagoon, a Day Park and Public Beach with a Boat Launch, and a Kiddie Park. A Community Hall (with full facilities) is available to rent at a reasonable rate year round. As with all other municipalities we have elections for a council – held every four years during the summer months. The three-person Council work together with Administrators not only to keep the Village running smoothly but to plan for it's future.

PROPERTY TAX PAYMENT PLAN

-TPP Plan runs from January - December.

-Contact the Village Office for a TPP Plan form and payment amount prior to January 15th of the current year.

-Payment is by cheque and will be deposited on the last day of each month.

-More detailed information on the Village website under Municipal Info.

UNTIDY LOTS

It is the responsibility of every owner to keep their lot tidy. Bylaw #2009-03 does not allow the accumulation of old cars or other unsightly storage. Properties that are untidy may be cleaned up by the Summer Village and the cost charged to the property owner's tax notice.

COUNCIL MEETINGS

Council meetings are open to the public and held monthly. Items for Council consideration should be submitted in writing and sent to the Village at svsandyb@xplornet.ca.
