

The Sun & Sand Recreation League is celebrating 30 years since its incorporation on June 24, 1988.

The Recreation League was organized with the objective - "To provide recreation of the Communities of Sandy Beach and Sunrise Beach and surrounding areas and to promote and afford opportunities for friendly & social activities". It's because of the valuable volunteers of our communities that the Sun & Sand Recreation League is able to put on some very successful functions.

The League would like to welcome any newcomers to the communities and invite them to become a member and or to volunteer.
