Message from the Mayor

Another season change is upon us and soon the end of another year. Be mindful of the various preparations and precautions that come with snow conditions and severe winter weather and remember to reach out to those of your neighbours who may need assistance or support.

You will read of some upcoming events and I invite you to not only participate but also volunteer to ensure community events continue now and in the future. For the most accurate updates, kindly visit the Summer Village website.

On behalf of our Council and Administration, let me wish you and your family a safe, happy and wonderful holiday season.

On behalf of the Summer Village of Sandy Beach,

Mayor Gordon Drybrough
