

*Summer Village of Sandy Beach*

*Deputy Mayor Larysa Lucin' Report*

*October 21, 2021*

---

1. Courses: I have just completed the MUNIS 101 4-week course and the MEO (Municipal Elected Officials) training course. MEO certificate sent to Admin and waiting until all MUNIS have completed for that Certificate.
2. Attended the Association of Summer Villages of Alberta's conference October 21, 2021. They had 3 main speakers that addressed the book 13 Ways to Kill a community (discussing working together with other municipalities etc.), Policing in small communities and Docks and Mooring.
3. Meetings: I attended the Lagoon Meeting September 23<sup>rd</sup>, 2021, and the Community Engagement Open House on September 30<sup>th</sup>, which I feel was very positive and looking forward to hearing what the residents that were unable to attend have to contribute.
