

Welcome to the Yellowhead Regional Library System

The Summer Village of Sandy Beach has joined the Yellowhead Regional Library (YRL) system, which means greater, and easier, access to materials for permanent village residents. Just in time for summer reading, residents can borrow books and magazines, as well as e-resources such as e-books, music, movies and more.

With your library card, you will be able to:

- ➔ Use any library in YRL and, through TRAC, place holds on items and pick up anywhere
- ➔ Have access to all available e-resources
- ➔ Register your card for use at any public library in Alberta at <https://melibraries.ca/>

If you do not already have a library card...

Simply go to a nearby library and get a library card. When you do, you must identify as being a resident of SV Sandy Beach.

If you have a library card...

You likely have a non-resident card, which can restrict what you are able to do. Go to the library and ask them to upgrade your membership to full privileges.

Please see the reverse for a list of nearby libraries. Happy reading!
