

# Welcome to the Yellowhead Regional Library

The **Summer Village of Sandy Beach** is a member of the Yellowhead Regional Library (YRL), which means greater, and easier, access to materials for permanent village residents. You can borrow books and magazines, as well as eResources such as eBooks, eAudiobooks, music, movies and more.

With your library card, you will be able to:

- ➔ Use any library in YRL and, through the [TRACpac catalogue](#), place items on hold and pick them up at your preferred library.
- ➔ Have access to all available eResources.
- ➔ Register your card for use at any public library in Alberta at [ME Libraries](#).

## If you do not already have a library card...

Simply go to a nearby public library to get a library card. When you do, you must identify as being a resident of the **Summer Village of Sandy Beach**.

## If you have a library card...

You may have a non-resident card, which can restrict what you are able to do. Go to the library and ask them to upgrade your membership to full privileges.

**Happy reading or listening or watching!**
